

CAROL WONG APPOINTED DIRECTOR OF THE NATURE CONSERVANCY IN HONG KONG

Talent Age Associates is proud to announce that **Carol Wong** has been named the Director, Hong Kong Representative Office of The Nature Conservancy, (TNC) the leading conservation organization working around the world to protect ecologically important lands and waters for nature and people.

Wong has been in the healthcare industry for over 17 years. Recently, she worked as a business consultant for various non-profit organizations in China, including serving as Chief Operations Officer to help establish three eye centers in Hainan, China for Project Vision. Previously, Wong worked at International SOS as Business Development Manager. Rising through the ranks, she served multiple roles in the company as head of Guangzhou office, Head of China Sales Operations and Head of Japanese Business Operations.

Talent Age Associates was retained by TNC to conduct a search for the Director, Hong Kong Representative Office. The Director of the Hong Kong Office acts as the primary representative of TNC in Hong Kong and other major Asian wealth centers where TNC does not have a programmatic presence. The Director is responsible for building and strengthening TNC's presence and image in these markets, identifying and creating private fundraising opportunities, and helping build strategic constituencies to strengthen support for conservation.

"Our experience with Talent Age Associates on The Nature Conservancy's Hong Kong director search was very positive, said **Susan Waschler**, Regional Director of Philanthropy, The Nature Conservancy, North Asia/Asia-Pacific Region. "The attention to detail and personalized approach helped our organization select a candidate that met our needs. We thank Talent Age Associates for their gracious and personalized approach to the search process and for their high level of service."

About The Nature Conservancy

The Nature Conservancy is a leading conservation organization working around the world to protect ecologically important lands and waters for nature and people. The Conservancy and its more than 1 million members have protected nearly 120 million acres worldwide. For more info, go to www.nature.org.
