

TALENT AGE ASSOCIATES PLACES VICE PRESIDENT, ASIA OPERATIONS FOR LANTIQ

Talent Age Associates is proud to announce that **C.J. Hsieh** has been named the Vice-President, Asia Operations for [Lantiq](#), a fables company that offers a broad and innovative product portfolio for next-generation networks and the digital home.

Hsieh has over 18 years of experience in the semiconductor industry, including fables operations, engineering services and solutions, process engineering, and foundry operations. He is experienced in building and running an Asia based operations team. As a Division Vice President of Spirox, he was in charge of the engineering services, which is one of six business units in the company. He also managed a team of 40 people in sales, engineering and operations in Taiwan and China. Once he took over the China office, he doubled its revenues and turned the office into a profitable operation.

Talent Age Associates (TAA) was retained by Lantiq to conduct a global search for the Vice-President of Asia Operations to be based in Lantiq's Singapore or Hsinchu office. Reporting to the Senior Vice President of Worldwide Operations, Hsieh would be responsible for worldwide management of supplier relationships with Lantiq's foundries and subcontractors on all levels.

"Thanks to Talent Age Associates for a superb job on the search and recruiting of C.J. Hsieh," said **Dan Artusi**, Board Member, Lantiq. "We very much appreciate the work they did on Lantiq's behalf. It was an enjoyable experience and we learned a lot from working with them. "

About Lantiq

With its more than 20 years' track record of leading industry innovation, Lantiq has a unique capability to combine traditional Wireline technologies with leading-edge Access and Home Networking technologies.
